

The image shows the interior of a healing sanctuary. A large, rectangular pool of water occupies the lower half of the frame, reflecting the sky and the surrounding greenery. The walls are made of light-colored wood panels, some of which have small, dark square openings. A large window on the left side offers a view of lush tropical plants. The ceiling is composed of dark wooden beams, and a modern, spherical chandelier with multiple glowing lights hangs from it. The overall atmosphere is serene and natural.
