

HAPPY TOGETHER

Friends - Family

Core to Nômade is always providing a place for friends and family to meet, share amazing energy, and celebrate happiness—but not just any kind of happiness—the kind we experience when we come together. From April 3rd to 6th, we celebrate the special debut of Nômade Sounds alongside our community and many other artists.

During these days, we will activate our favorite Nômade stages at the beach and Macondo restaurant with artist conversations and more. Get ready to dance, celebrate happiness as a community, and awaken the energy of spring—together as a family.

"So happy together And how is the weather? So happy together We're happy together."
